Note :

If Two or more candidates secure the same total marks, their seniority in the final merit / selection list has been decided by the marks obtained by the candidates in the final competitive examination. The one who secures higher marks in the final competitive examination will precede in the merit list. If the marks secured in the final competitive examination are also the same then seniority will be determine by their age. The one older in age will find precedence in the merit list. There are two candidates tied for the last position in UR for SOI merit list at final score of 273.3. Both candidates have obtained marks 240.5 in Final Competitive Exam, so the candidate who is older has been provisionally selected for the post of SOI under UR category.
