Sub : Submission of C.A. II Report, F.I.R. on Natural Calamity, Situation Report on Natural Calamity and Reports on Monthly/Fortnightly Stock Positions.

Sir,

In times of any Natural Calamity, a number of reports such as C.A. II, GOI-formulated 19 point FIR, and Situation Report become necessary. Also the reports on Monthly and Fortnightly Stock Positions of all kinds of Relief Materials are required every month.

A. Regarding submission of reports on Stock Position, it has been seen that most of the districts are not sticking to the time frame of submission of Reports on Monthly and Fortnightly Stock Positions though time and again necessary instructions were sent, the latest being No. 100/JS/I Dated 22nd July, 2003. Once again, it is requested that

(i) **Report on Monthly Stock Position** of Relief Materials be sent with complete information of stock at all Blocks, Sub Divisions, Municipalities, District Godown and Zonal Godown as on the 1st day of every month **by the 3rd/4th day of every month** and (ii) **the Report on Fortnightly Stock Position** with information of stock at the District Godown and Zonal Godown (in case of Darjeeling and Malda) as on the 15th day of every month be sent **by the 17th day of every month**. Utmost care should henceforth be ensured in sending these reports in time.

B. During any kind of natural calamity, **Situation Report** in the enclosed format has to be sent by 2 p.m. regularly till the calamity is over. This has been introduced for preparing reports for the Hon'ble M.I.C., the Chief Secretary and other high officials. **Along with this Situation Report, F.I.R. (in 19 columns) for GOI and C.A.II Report should also be sent as usual.** No other report on damage by Natural Calamities is required to be sent without being asked for. While filling up the reports, care is expected to be taken in providing the **Money Value** of the damages caused to houses, crops and public property. It has been observed that instead of money value, a comment "**Being Assesed**" is given in some reports. When such comment is inevitable at the initial stage of any Natural Calamity, it has been observed that even the last

F.I.R. does not show the estimated value. Naturally it stands in the way of preparation of a complete report of damage and loss. **Hence all columns of C.A.II and F.I.R must be filled up with due care.**

Copies of Reports on Monthly and Fortnightly Stock Positions, C.A.II, 19 point F.I.R. for GOI on Natural Calamity and the Format of Situation Report on Natural Calamity **are again enclosed** as ready reference for all concerned.

Subject : Transparency in Relief Operations – Right to information.

Sir,

I am directed to say that schemes of Calamity Relief Fund (CRF) and National Calamity Contingency Fund (NCCF) are primarily meant for providing relief to the people affected in the wake of natural disasters. It is also a fact that it is only the poor and weaker sections of the society who are affected the most in such disasters. As such, a major chunk of relief goes to these sections including the small and marginal farmers.

2. As relief is required to be accounted for, it is presumed that the State Governments maintain proper record of relief operations and relief distribution. It is every citizen's right to know the relief available to him in the event of disasters and what has actually been distributed. In fact, it should form a part of the citizens charter. Also transparency in relief operations and relief distribution is very critical to ensure that not only the relief operations and distribution is fair and just but also to ensure that there are no complaints or counter complaints in this matter.

3. In line with the Govt.'s policy of transparency, it is proposed that a list giving the details of beneficiaries with their name and address along with quantity/volume and quality of relief distributed, may be prepared ward-wise both for urban and rural areas and may be made available to the local representatives of the public in Panchayats and Municipalities and should also be displayed in the offices of Panchayats and Municipalities. The consolidated list should also be maintained and displayed at the Block level/Taluka level. These lists could be made available to general public on demand on nominal charges say of Rs. 10/- for each list.

4. It is requested that the State Government may kindly take necessary action in this regard and a copy of the instructions issued may also be sent to this Ministry for information and record.
